

# 2016 Poinsettia/Hydrangea 4-H Fundraiser

Fellow 4-H members, leaders and volunteers:

In an effort to provide a fundraising opportunity for both the clubs and the Orange County 4-H Association we have coordinated with Dewar Nurseries to pre-sell poinsettias again this holiday season. Each club will have an opportunity to pre sell beautiful poinsettias that are offered in 4, 6, and 8 inch pots as well as a mum bowl/poinsettia arrangement. New this year we have added a 10 inch poinsettia hanging basket and a 10 inch white hydrangea. Orders will need to be prepaid with all order forms and money due to the Orange County 4-H office by Monday, November 7th. Payment can be made by cash or check with checks made payable to the Orange County 4-H Association (not to clubs or individuals).

The Orange County 4-H Association in conjunction with the Orange County Youth Council and volunteers will handle the submission of the orders, payment to Dewar Nursery, as well as sort the orders when they arrive. In order to help raise funds for the 4-H Association - which provides scholarships, awards, programs and services to our members throughout the year - \$1.50 from each plant sold will go to the 4-H Association to help with its fundraising efforts. Net profits will be transferred over to 4-H club accounts within the Orange County 4-H Association.

The following is what the cost will be for each item and its corresponding sale price:

An order form with prices, description and pictures of the items can either be printed out by members as copies are needed or picked up at the 4-H office. A link to the order form will be available on the Orange County 4-H website <http://oc4-h.org>. We encourage members to keep all monies collected in an envelope and be sure to get contact information for all customers as members will be responsible for distributing the plants once they arrive. Plants will be available for pick up at the 4-H extension office during the youth council meeting, December 1st, and during office hours on Friday, December 2nd. We will be sending out details for pick up closer to those dates.

Thank you everyone in advance for your efforts to support the Orange County 4-H Association and taking advantage of a great fundraising opportunity for your club.
