

ENERGY EFFICIENCY AND SOLAR ENERGY INCENTIVE WORKSHOP

The Orange County Environmental Protection Division is hosting 3 **FREE** workshops to provide residents and businesses the basics of energy efficiency and solar systems. Attendees will learn how to save money through energy efficiency as well as how to take advantage of incentive and rebate programs for energy efficiency upgrades and installing solar hot water systems and photovoltaic (PV) systems.

Topics covered in all workshops include:

- Energy Efficiency
- Financial Incentives (Federal, State, & Local)
- Photovoltaic (PV) & Solar Hot Water Systems
- Orange County Application Process
- Local Experts & Utility Representatives will be present
